Note 1: On the basis of the referenced test report(s), the sample(s) of the below product has been found to comply with the relevant harmonized standard(s) to the regulation(s) listed on this verification at the time the tests were carried out. The manufacturer may indicate compliance to only the said regulation(s) by signing a DOC himself and may affix the CE marking to products identical to the tested sample(s) if the product complies with all CE marking regulations and directives that has the product in their scope. In addition, the manufacturer shall file and keep the documentation according to the rules of the applicable regulation(s), directive(s) and shall consider changes of the standards as they may occur. Additional requirements and local laws may be applicable.

Note 2: This verification is only valid for the product and configuration described and in conjunction with the technical data detailed above. This statement remains the property of SGS-CSTC Standard Technical Service Co., Ltd. To whom it must be returned on request.
